

Christ Church CofE Primary School

12th March 2021

Dear Parents and Carers,

A huge welcome back to school to you all and thank you for what has been such a lovely week. The children have come back to school ready and willing to learn and most importantly with huge smiles. It has been so nice to hear all of the laughing and having fun around school.

Thank you for all of your feedback regarding the new government RSE (relationships and sex education curriculum) We are taking into account all of your suggestion and questions and will be sending out a letter this week which contains further details and our whole school long term plan.

Parents evening will be week commencing 19th April and will held virtually. You will be sent all of the information that you need over the next few weeks– you do not need any special equipment, devices or apps. Please just ask if you have any issues and we can support or offer an alternative.

We have started going back to church on a Thursday morning as part of our daily worship sessions. This is not yet done with the full school, year 3 and 4 will be going on the 18th March and Year 1 and 2 on the 25th March. This is all done in a covid secure way and has been risk assessed. Please contact school if you have any concerns.

I hope you all have a lovely week,

Mrs, Bradford

Keeping School Open for all

Please support us in keeping school open for everyone

- **Minimizing the number of adults attending the site**– only one parent or carer at drop off and collection
- **Adults to wear masks on site**
- **Stick to the correct timings for drop off and collection** so that your child doesn't come into contact with any other staff or children not in their bubble. If you don't it increases the chances that your child may have to self isolate.
- **Follow the government rules** regarding social interactions.

All of these measures will limit the mixing of children and adults and so reduce the risk of further closures.
