Dear Parents and Carers,

It is so lovely to hear all of the children rehearsing for their Christmas productions, they are working so hard and we are looking forward to finally being able to have you in school (socially distanced) and share what the children have been working on.

We have a really active governing body here at Christ Church and we are looking for 2 parent governors. If you would like to hear more about what being a governor means and what it entails please pop into the office and we can explain in more detail. If you would like to be a school governor please pop in to collect a form that will need to be completed. If we have more than 2, we will hold an election.
