

Christ Church CofE Primary School

2nd October 2020

Dear Parents and Carers,

This weekend marks the start of our harvest festival celebrations. Due to COVID restrictions we can't celebrate in the same way that we normally do, but we still want to mark the event with something special. We have decided to make our remembrance garden the main focus this year— keep your eyes peeled over the next 2 weeks for lots of harvest work being hung up around our planters. We will also be completing a virtual harvest festival which we are hoping to launch on Friday 16th October. We will send you further information about how to access it nearer the time. In our remembrance garden you find, from Monday, a collection box for any donations to our harvest collection. Any donations will be given to Nitebite, our local food bank charity.

Week commencing 2nd November would have normally been our parents evening, we are still unable to invite parents into school so we are going to write a report card for your child to let you know how they are settling in along with a video to introduce you to your child's teacher and the classroom.

I hope you have a lovely weekend,

Mrs. Bradford

Local Lockdown

Please remember the cases of COVID 19 are rising dramatically. In order to stop the spread and keep our school open please follow the current government guidelines.

Especially— Residents are not allowed to socialise with people outside their household or support bubbles in private homes or gardens. We are hearing lots of cases of children having sleepovers at friends houses. This could have serious consequences for school and make our track and trace risk assessments very difficult. Please help us to keep school fully open by following the rules.

School Photographs

This term we will be having school photographs on Wednesday 14th October. I will be sending through a google form to you all via text on Monday for you to sign up. These will be individual photographs only, no sibling groups.

We need to try and limit the number of letters passed between home and school so we will use google forms where possible. Please ensure that we have your most up to date mobile number so that you don't miss out.

If you don't respond then unfortunately we will be unable to take your child's photo.

School Teacher Training Day

Just a reminder that school will close for half term on Thursday 22nd October because we have a teacher training day of Friday 23rd October.
