

# Christ Church CofE Primary School

**16h October 2020**

Dear Parents and Carers,

During these strange times we still have a lot going on in school this term and I just wanted to take this opportunity to share some of these.

We have had a television put in the reception area which will show you photographs of what the children have been up to in school.

We have developed a new school website which will be launched on the 31st October, information will be carried over so you won't miss anything. Our new website should be easier for you to navigate and allow us to provide much more information about the experiences your child is having in school.

We have also filmed a virtual harvest festival, this is currently being edited and will be available to you all next week– more details will follow.

Thank you for your continued support. I hope you have a lovely weekend and stay safe.

Mrs. Bradford

## Harvest

We are collecting food items for our annual harvest collection this week. The collection point is outside the school office in the lidded box. Look out for the trees in the area being decorated with our harvest artwork over the coming days. Thank you so much for the donations we have received so far.

Donated food will be given to Nitebite and needs to be in by Thursday 22nd October.

## School Photographs

This term we will be having school photographs on **Wednesday 21st October**. Please complete the google form if you would like a photograph taken. **These will be individual photographs only, no sibling groups.**

We need to try and limit the number of letters passed between home and school so we will use google forms where possible. Please ensure that we have your most up to date mobile number so that you don't miss out.

**If you don't respond then unfortunately we will be unable to take your child's photo.**

## School Teacher Training Day

Just a reminder that school will close for half term on Thursday 22nd October because we have a teacher training day of Friday 23rd October.
