

Christ Church CofE Primary School

4th September 2020

Dear Parents and Carers,

I would like to say a huge thank you for coming back to school with such a positive mindset. I am very aware of how strange all of the new rules and way of doing things may seem but you have all made a tricky time so much easier for the staff.

Your children have been an absolute credit to you all, every single child has come back to school with a smile and behavior has just been fantastic. I am just so proud of them all.

We have had fantastic attendance= 98.8%

Have a lovely weekend, looking forward to seeing you on Monday

Lunchtimes

We are running with our hot menu next week. I am very sorry for the changes to the menu that was published last week, this was due to delivery issues. The menu I have been provided with for next week is below. If there is going to be a change I will sent you a text to give you as much notice as I possibly can.

Help and Support

Mental health and wellbeing is a real priority for us, as it always has been. Due to COVID-19, families may have been under a lot of stress and have issues to deal with. As a school we have lots of resources and training that we have done as staff and can offer children and their families. One service that is just brilliant is Barnardos. As parents, you are able to access the service direct or I am more than happy to support anyone that would like the service. Here is the link for further information or just give me a ring and I can explain how it works. <https://www.barnardos.org.uk/see-hear-respond>

Monday	Tuesday	Wednesday	Thursday	Friday
