

School Council Minutes

21st March 2017

1. Apologies for absence:

Y5 away on a school trip

2. Improving Attendance

There were lots of ideas from class council meetings including having weekly rewards, special days for the best attending class, raffle for children with the best attendance, and a giant monopoly board game. We like lots of these ideas but can't do all of them. We will ask the classes to talk about their favourites in the class council meetings before the next school council.

3. Buddy Scheme

We don't think this is working very well recently. We will see what the classes think about this and try to improve this next time.

4. Any other business

Tanushri is happy to continue as secretary with help from the Link Teacher Mrs Pay.

5. Date of next meeting

28th April 2017
