11th February 2022

## Valentines Day 2022

The Friends of Christ Church have organised a fun filled day on Monday. Monday will be a non uniform day with a suggestion of wearing red/pink because of Valentines day with a suggested donation of £1.

Cakes will be on sale throughout the day for a cost of 50p. If anyone would like to contribute by providing cakes to sell please see the school office.

Raffle prizes will be drawn on Monday morning and prizes given out to children (or parents at home time if appropriate).

Look out for the artwork that the children have been making around the theme of love. This will be on display in church in the coming weeks.

*1 - North Tyneside Mental Health Support Team*

Hi I'm Betty, I'm a member of North Tyneside's new Mental Health Support Team and will be based in Christ Church school one day a week. I'm in training to become an Education Mental Health Practitioner and my role is to support the well-being of the whole school, that includes the staff, the pupils and their families. To do this myself and the team will be offering a range of support including advice, workshops and training for staff, parents and carers, as well as group work and one to one interventions for pupils. We are keen to build a service that is right for you and would love to meet you at a coffee morning on March 11th to hear your views about what is needed most and answer any questions you have about us. Please come along for a chat and a cuppa (and a biscuit!) in the hall straight after drop off.
