**16th April 2021**

Dear Parents and Carers,

Welcome back, we are very excited to be starting the summer term which is going to be full of lots of exciting events.

I am sure you have seen all of the developments we are making to our outdoor area, this term we felt that allowing the children to play and learn outside, having spent so long in lockdown was so important, staff have worked really hard in improving our outside provision

I need to say a huge thank you to Mrs. Briggs, Miss Prince and Mrs. Denton who are our lunchtime staff and have given up a significant amount of their time and resources to paint, make and provide all of the different areas of the playground.

We also would like to thank Whitehouse farm and Mrs. Hogarty for again supporting the outdoor provision. Finally Miss Cull, Mrs Purple and Mrs Russel have all worked together to create a magical space for year 1 children to learn and develop. Here is a selection of photographs to show some of what they have been up to.

Believe it or not we still have lots more developments to come, so keep your eyes peeled. I hope the sun stays shining and you all have a lovely weekend.

Take Care,

Mrs. Bradford
