11th September 2020

Dear Parents and Carers,

Another really positive week here at Christ Church. Our transition day on Wednesday went really well and I am sure the children are looking forward to being in their new classroom with their new teachers on Monday. Just a reminder that the doors and times that they will leave from will not change.

Remote Learning

I am currently working on a remote learning package that we will put in place if (hopefully not) we have to shut classes due to COVID-19. This information will be shared on our school website early next week. I will send out a link as soon as it is up there. If you haven't already responded to our IT survey please could you do so as soon as possible as the results of it are informing our plans.

Physical Education

We are starting with our PE lessons next week. On the days that your child has PE they need to attend school in their PE kit with navy blue tracksuit bottoms and hoody over the top. I am very aware that sourcing uniform is difficult so as long as your child comes to school in PE things that is fine for now. Once you have the correct uniform we would appreciate them to wear it. All PE lessons have been carefully planned, so that classes do not share resources without them being fully cleaned.
