

# Christ Church CofE Primary School

**26th March 2021**

Dear Parents and Carers,

I speak on behalf of the whole school team when I say thank you so much for all of your continued support this term, you and your children have made a challenging time so much better. It has been so lovely to feel like we have a real school again, full of learning and laughter.

We have had an overwhelming response to our Easter egg competition, I was pleased that we had Canon Evans here to judge! All of the entries were just amazing, but unfortunately there had to be some winners:

Nursery– Harry and Logan

Reception– Ava and Lily

Year 1– Savannah and Freya

Year 2– Tillie and Anthony

Year 3–Faith and Ellie

Year 4–Harley and Leia

Year 5– Lucy and Rosie

Year 6– Logan and Fallon

The sound of Mexican music and the smell of Mexican cooking was drifting down the corridors in school today, this was due to year 6 fully immersing themselves in the Mexican culture. We had ponchos and sombreros throughout the class– we even had someone dressed up as a taco, complete with a chilli for a hat!

I will be continuing with the track and trace process throughout the holidays so if your child develops any symptoms and then tests positive, please email [office@christchurchps.org.uk](mailto:office@christchurchps.org.uk) especially if the symptoms develop on the 27th and 28th March.

I hope you all have a lovely holiday and see you on Tuesday 13th April,  
Mrs. Bradford

Please make sure that you leave our school site straight after you have collected your children. We have split collection times so that we can limit the number of contacts that the children have in school, if they mix after school it could mean that you can be asked to self isolate and cause further spread of Covid.

**Please do not park in our school car park**, you will have seen the accidental damage that has been caused to our pedestrian gates and this makes it even more important. We have had several complaints regarding children being put at risk by the car park being used at pick up and drop off times.
