

# School Council Minutes

23<sup>rd</sup> June 2017

## 1. Apologies for absence:

## 2. Improving Attendance

The Attendance Monopoly is now on the wall in the hall. We will put the rewards up next week. We have ideas from all the classes now so should be able to fill all of the spaces on the board.

## 3. Buddy Scheme

Mrs Eiles has ordered twelve hats for us. School Council decided these should be blue with red writing to match our school uniform.

The writing will say **Playground Friends**.

We talked about having a place to stand if you need a friend to play with. We will have a competition to design a Playground Friend bus stop.

We also talked about the importance of helping children who have no one to play with and how this links to the teaching 'Love your Neighbour as yourself' from Mark's Gospel.

## 4. Anti Bullying Week

Although this is not until November (when year 6 will be at high school), we would like to start planning for Anti Bullying week now because year six did so much work about this last year (including a trip) they think it would be good to share their ideas.

## 5. Date of next meeting 7<sup>th</sup> July 2017
