Dear Parents and Carers,

Welcome to the end of our first full week of remote learning- thank you so much for bearing with us as we try and get organised.

I totally understand that home learning is not ideal and that you all must be working so hard to get your heads around it all. Please be assured that we understand and are trying to come up with ideas that may help you. As always, if you need help or have any issues or questions please just contact school and I am happy to chat.

We are trialling new maths and English remote learning programs (in some year groups) – doodle maths and doodle English. These allow for personalised tuition for children so that they can get on with activities with increasing independence.

| | | |
|--|---|--|
| <p>Step 1 Personalisation</p>  <p>Your child answers questions to help us determine their ability so our clever algorithm can create them a unique work programme.</p> | <p>Step 2 'Little and often'</p>  <p>Doodle for just 10 minutes a day, either online or on a range of iOS/Android devices, to catch up, get ahead or maintain learning.</p> | <p>Step 3 See progress</p>  <p>See guaranteed results with regular usage in as little as six weeks. Track your child's progress in our detailed online dashboard and parent app.</p> |
|--|---|--|

If we feel that the programs have the desired impact, we will look into purchasing the products for your children.

As we move through the coming weeks, we are increasing our technology in school so that we can offer small group learning and social gatherings of children. We are very aware that the social side of school is so important and we are working to get things up and running to support your children maintain a relationship with classmates.

Thank you for all of your support,

Mrs Bradford

Let Your Light Shine
