

# Christ Church CofE Primary School

**20th November 2020**

Dear Parents and Carers,

As you are aware, we have lots of Christmas activities planned over the coming weeks. We have tried to ensure that the children do not miss out on any of the really important events, despite current restrictions.

One of the events is a Christmas party for all children. This year, the whole school will have a party on the same day– 16th December. A party would not be a party without party food so we have worked in conjunction with school catering to create a party lunch on that day. If your child would like a school dinner that day the cost will be £2.25 (free school meals children will receive a lunch as normal). This is paid online as normal– [www.joinos.com](http://www.joinos.com).

In order to ensure that your child receives a sandwich that they like, can I ask you to complete the attached google form, if you have not already done so.

<https://forms.gle/fSdPeLiKK1JHVwjh9>

If you would prefer to provide your child with a packed lunch that is not a problem.

The impact of Covid has been huge across the country. Parents have been furloughed or been made redundant or other situations may mean that they are finding things tough.

As a school we have access to resources that may help to make things slightly easier for families such as support with food, Christmas presents and/or uniform. If you would like any support whatsoever please get in touch with school. No questions will be asked and will be kept confidential- we just want to help.

I hope you have a lovely weekend

Mrs. Bradford

## **Parking outside of school**

We have had concerns from residents regarding the parking on double yellow lines outside of Church. Please do not drop off your child at school by parking on double yellow lines, even just for a few seconds. It could easily cause an accident and a child or adult hurt. Please be Considerate when dropping off.

## **Dogs**

We recognise that dogs are an important part of family life for many in the school community, and as such are often included in day-to-day activities such as walking children to and from school. However, some may find the presence of dogs in the playground stressful, even frightening, particularly with younger children. Even well behaved dogs can behave unpredictably when placed in busy noisy and crowded environments. Therefore, school policy is that no dogs are allowed on school premises (either on lead or carried). We appreciate your co-operation by not bringing your pet to school
